Karim Abdelhalim

Web & mobile application developer

SUMMARY

I am a passionate self-taught front-end developer. I love coding creative UIs and bringing designs to life with clean, efficient code. My expertise includes building responsive and user-friendly websites and applications, constantly learning and adapting to new technologies and trends to deliver the best digital experiences.

PROFESSIONAL EXPERIENCE

Front-end Developer at MedC   OCT 2023 - 2024

Collaborated with a skilled team to deliver a medical educational app, focusing on enhancing the user interface and experience.

- Development of Mobile application UI
- Enhancements on the admin dashboard website

Full-stack Developer at Ringfill   DEC 2023 - 2024

Contributed to both frontend and backend development for various tasks such as:

- Development of Mobile application & Website UI
- Update APIs
